

# When will I ever use this?

*More experience = better teachers*

Great opportunities for summer 2017.

## Teacher in the Workplace

*What's it really like out there in the world of work?*

Get a taste. Then use that experience to make your lessons more relevant for students.

Two days of tours & classroom learning

Two days job shadowing

Network with colleagues to share experience

2 credit class through GPAEA

Offered in cooperation with GPAEA.
